1 AMENDMENT TO SENATE BILL 3017

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 3017 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The University of Illinois Act is amended by  
5 adding Section 90 as follows:

6 (110 ILCS 305/90 new)

7 Sec. 90. Prohibition on use of State funds; boycott.

8 (a) The legislature finds that it is beneficial to students  
9 of this State to have access to an education that is not bound  
10 by borders and to have the opportunity to obtain a global  
11 education. The legislature further finds that it is important  
12 that this State undertake efforts to ensure that its students  
13 succeed in a world that is continually becoming more  
14 interdependent and diverse and, further, that students have  
15 access to international higher education institutions. A  
16 global education allows students to connect, compete, and

1 cooperate with their peers around the world. Therefore, it is  
2 the policy of this State that public universities not use State  
3 funds to support boycotts of countries that are members of the  
4 Organisation for Economic Co-Operation and Development or  
5 higher education institutions located in those countries.

6 (b) The University may not use State aid provided directly  
7 to the University to fund an academic entity, provide funds for  
8 membership in an academic entity, or fund travel or lodging for  
9 any employee to attend a meeting of an academic entity if the  
10 academic entity has issued a public resolution or other  
11 official statement or undertaken an official action boycotting  
12 a country that is a member of the Organisation for Economic  
13 Co-Operation and Development or higher education institutions  
14 located in that country.

15 (c) Notwithstanding any other law to the contrary, the  
16 University is not eligible for State aid during the academic  
17 year in which the University is in violation of subsection (b)  
18 this Section.

19 (d) The provisions of this Section do not apply:

20 (1) if the country is determined by the United States  
21 Secretary of State to be a state sponsor of terrorism;

22 (2) if the boycott is connected with a labor dispute;  
23 or

24 (3) if the boycott is for the purpose of protesting  
25 unlawful discriminatory practices, as determined by the  
26 laws or administrative rules of this State.

1       (e) Nothing in this Section shall limit the attendance by  
2 any employee of the University at an event of an academic  
3 entity that boycotts a country that is a member of the  
4 Organisation for Economic Co-Operation and Development or  
5 higher education institutions located in that country, and  
6 attendance at meetings of any such academic entity must not be  
7 used by the University with regard to employment decisions.

8       Section 10. The Southern Illinois University Management  
9 Act is amended by adding Section 75 as follows:

10       (110 ILCS 520/75 new)

11       Sec. 75. Prohibition on use of State funds; boycott.

12       (a) The legislature finds that it is beneficial to students  
13 of this State to have access to an education that is not bound  
14 by borders and to have the opportunity to obtain a global  
15 education. The legislature further finds that it is important  
16 that this State undertake efforts to ensure that its students  
17 succeed in a world that is continually becoming more  
18 interdependent and diverse and, further, that students have  
19 access to international higher education institutions. A  
20 global education allows students to connect, compete, and  
21 cooperate with their peers around the world. Therefore, it is  
22 the policy of this State that public universities not use State  
23 funds to support boycotts of countries that are members of the  
24 Organisation for Economic Co-Operation and Development or

1 higher education institutions located in those countries.

2 (b) The University may not use State aid provided directly  
3 to the University to fund an academic entity, provide funds for  
4 membership in an academic entity, or fund travel or lodging for  
5 any employee to attend a meeting of an academic entity if the  
6 academic entity has issued a public resolution or other  
7 official statement or undertaken an official action boycotting  
8 a country that is a member of the Organisation for Economic  
9 Co-Operation and Development or higher education institutions  
10 located in that country.

11 (c) Notwithstanding any other law to the contrary, the  
12 University is not eligible for State aid during the academic  
13 year in which the University is in violation of subsection (b)  
14 this Section.

15 (d) The provisions of this Section do not apply:

16 (1) if the country is determined by the United States  
17 Secretary of State to be a state sponsor of terrorism;

18 (2) if the boycott is connected with a labor dispute;

19 or

20 (3) if the boycott is for the purpose of protesting  
21 unlawful discriminatory practices, as determined by the  
22 laws or administrative rules of this State.

23 (e) Nothing in this Section shall limit the attendance by  
24 any employee of the University at an event of an academic  
25 entity that boycotts a country that is a member of the  
26 Organisation for Economic Co-Operation and Development or

1 higher education institutions located in that country, and  
2 attendance at meetings of any such academic entity must not be  
3 used by the University with regard to employment decisions.

4 Section 15. The Chicago State University Law is amended by  
5 adding Section 5-185 as follows:

6 (110 ILCS 660/5-185 new)

7 Sec. 5-185. Prohibition on use of State funds; boycott.

8 (a) The legislature finds that it is beneficial to students  
9 of this State to have access to an education that is not bound  
10 by borders and to have the opportunity to obtain a global  
11 education. The legislature further finds that it is important  
12 that this State undertake efforts to ensure that its students  
13 succeed in a world that is continually becoming more  
14 interdependent and diverse and, further, that students have  
15 access to international higher education institutions. A  
16 global education allows students to connect, compete, and  
17 cooperate with their peers around the world. Therefore, it is  
18 the policy of this State that public universities not use State  
19 funds to support boycotts of countries that are members of the  
20 Organisation for Economic Co-Operation and Development or  
21 higher education institutions located in those countries.

22 (b) The University may not use State aid provided directly  
23 to the University to fund an academic entity, provide funds for  
24 membership in an academic entity, or fund travel or lodging for

1 any employee to attend a meeting of an academic entity if the  
2 academic entity has issued a public resolution or other  
3 official statement or undertaken an official action boycotting  
4 a country that is a member of the Organisation for Economic  
5 Co-Operation and Development or higher education institutions  
6 located in that country.

7 (c) Notwithstanding any other law to the contrary, the  
8 University is not eligible for State aid during the academic  
9 year in which the University is in violation of subsection (b)  
10 this Section.

17 unlawful discriminatory practices, as determined by the  
18 laws or administrative rules of this State.

19 (e) Nothing in this Section shall limit the attendance by  
20 any employee of the University at an event of an academic  
21 entity that boycotts a country that is a member of the  
22 Organisation for Economic Co-Operation and Development or
